Clive Richardson Limited were appointed as specialist sub-contractors to deliver the sports facilities as part of a larger multi-million pound facilities improvement scheme for Banbridge Academy.

Works undertaken by CRL included:

- Construction of a synthetic hockey pitch including minor earthworks, drainage, base construction, bitmac layer, shockpad installation and synthetic carpet installation and infilling.

- Modification works to the base of existing Tennis Court area and installation of synthetic carpet surface and infilling to create 5 Tennis Courts.
- Associated fencing to tennis court area.
- Construction of field athletics areas adjacent to hockey pitch.
- Landscaping around site.

## Post Contract

The hockey pitch was independently tested and certified to FIH National standard.
